## Family Session Fees

The session fees below refer to family shoots in London within the M25, and in Suffolk and the surrounding area. I am happy to travel anywhere in the UK for your session but I may need to charge a supplement to cover my petrol, and (if a very long distance from my London or Suffolk bases) the extra time involved in traveling to and from the destination.

The session fee includes the shoot itself, my time editing and processing the selected images ready for viewing (typically around 80 images depending on the size of the family and the brief) and uploading the images to your own online password protected web gallery so you can view them with family and friends. From there, you can either order your prints and/or products by phone or email, or you can arrange a viewing session with me where you will be able to view the images on a larger screen, look again at the products on offer and assess options with me by your side to help and guide you.

<b>Session Fees</b>	<b>Mon-Fri</b>	<b>Weekends &amp; Bank Holidays</b>
One child	£150	£230
Two children	£180	£260
Three children	£210	£290
Four children	£240	£320
Day in the Life (more than one family/ extended family shoot – allow most of the day)	£400	£500

*Please note: All prices include VAT. I will send you an invoice in advance of the session and you can either pay by bank transfer before the day, or on the day of the session by cash or by cheque.*

**Vouchers:** If you are interested in purchasing a session voucher - perhaps as a present for a partner, sibling, other family member or friend - please contact me and I can arrange to send the voucher and gift card to you. Alternatively, if you email me your personal message for them, and the recipient's address, I can include this and forward the voucher on to them. You can purchase a voucher for the price of the session only, or the session plus some prints or any other finished product/s.
